

CE 96 GV3000 Cover Kit
Model Number: 2CK4160
Instruction Manual D2-3368

CONTENTS

Model number 2CK4160 contains a CE-complaint cover for 25-60 HP GV3000 drives.

For GV3000 drive installation instructions, refer to the GV3000 A-C Power Modules Hardware Reference manual.

COVER KIT INSTALLATION INSTRUCTIONS

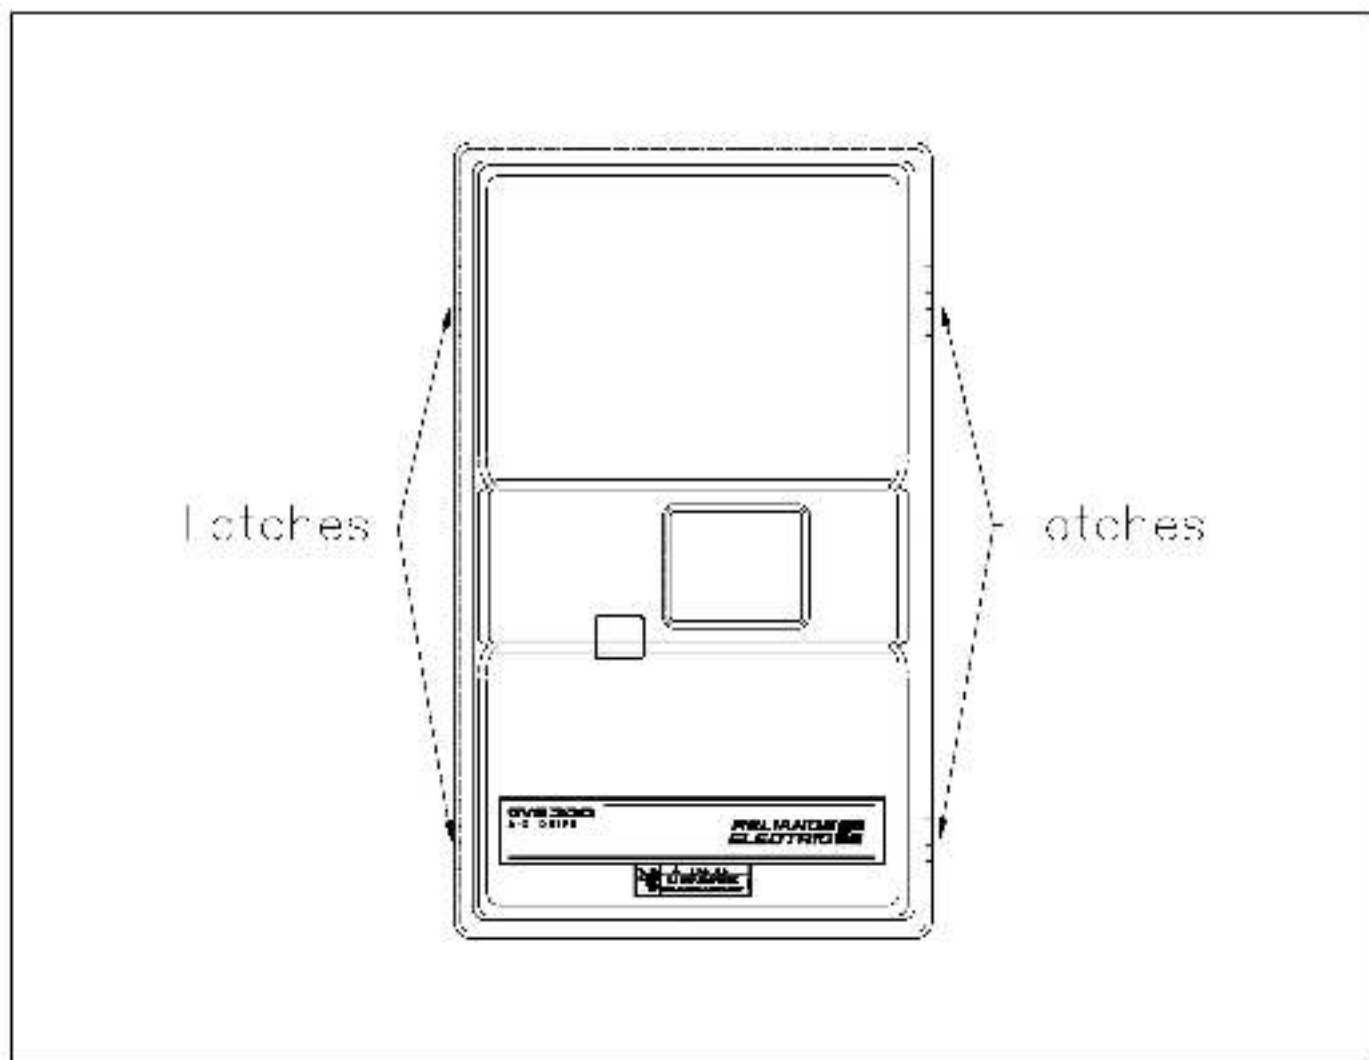

Use the following procedure to install the CE 96 cover:

Step 1. Unlatch the four cover latches as shown in the figure.

Step 2. Remove the existing GV3000 cover.

Step 3. Verify that the gasket in the CE 96 cover is positioned flat and straight in the cover channel.

Step 4. Install the CE 96 cover and reconnect the four latches.

Note: This material is not intended to provide operational instructions. Appropriate Reliance Electric Industrial Company instruction manuals and precautions should be studied prior to installation, operation, or maintenance of equipment.
